

Name:

Researching Banking Options

You have \$500 to deposit into a checking account and it's up to you to use the Internet to find the best "bargain" bank—the one that offers the most services for the lowest associated fees in the Pearland area. Collect your data and put it in the chart below. You can use www.findabetterbank.com to help you find your info.

	Bank A	Bank B	Bank C
Bank Name			
Tech Savvy Services			
Other Services Offered (overdraft protection, etc)			
Minimum Opening Deposit			
Monthly Maintenance Fee			
Overdraft fees			
ATM Fees			
Penalties and withdrawal limits			
Rewards			

Based on your research, which bank would you deposit your \$500 in and why?
